

ONE GREAT
ST HELEN'S

A SINGULAR,

SIGNATURE HQ

MADE FOR YOU.

One Great St Helen's is a newly reimagined building in the heart of London's iconic City. It's a unique opportunity to establish a premium quality, self-contained headquarters in one of the world's most connected business communities.

ONE GREAT ST HELEN'S

One Great St Helen's is on a scale that makes it easier to connect, collaborate and thrive. Exquisitely designed, thoughtfully considered, and with a rooftop pavilion and terrace, there's space to escape and recharge amidst the energy and buzz of the City.

A CITY OASIS

EVERYTHING YOU NEED

One Great St Helen's nurtures its community. It has every amenity and convenience the modern HQ demands, plus a higher level of quality and materiality that's delightfully unexpected.

Easy, open floorplates across ten storeys

At the heart of London's City district

Rooftop green planting in the pavilion

New facilities for cycle/run commuters. 110 cycle spaces, 100 lockers, 11 showers

A rare, single let opportunity

Expansive roof terrace and pavilion, with additional terracing / balconies throughout

Ground floor café opportunity

Repositioned arrival experience

AVAILABILITY

A SMALLER FOOTPRINT

Everything is on a smaller, human scale at One Great St Helen's and that includes its environmental impact. It's also designed to take the weight off the working day.

Retention of the existing structural frame and cladding

Net zero carbon in operation

Full building management system ensuring efficient services

All-electric strategy - air-source heat pumps and VRF systems for heating and cooling

Targeting BREEAM Excellent

58% reduction in carbon emissions

Occupational density 1:10

3 passenger lifts and a firefighting lift

Natural ventilation possible with openable windows at either end of the floor plate

Targeting EPC B

IN SO MANY WAYS

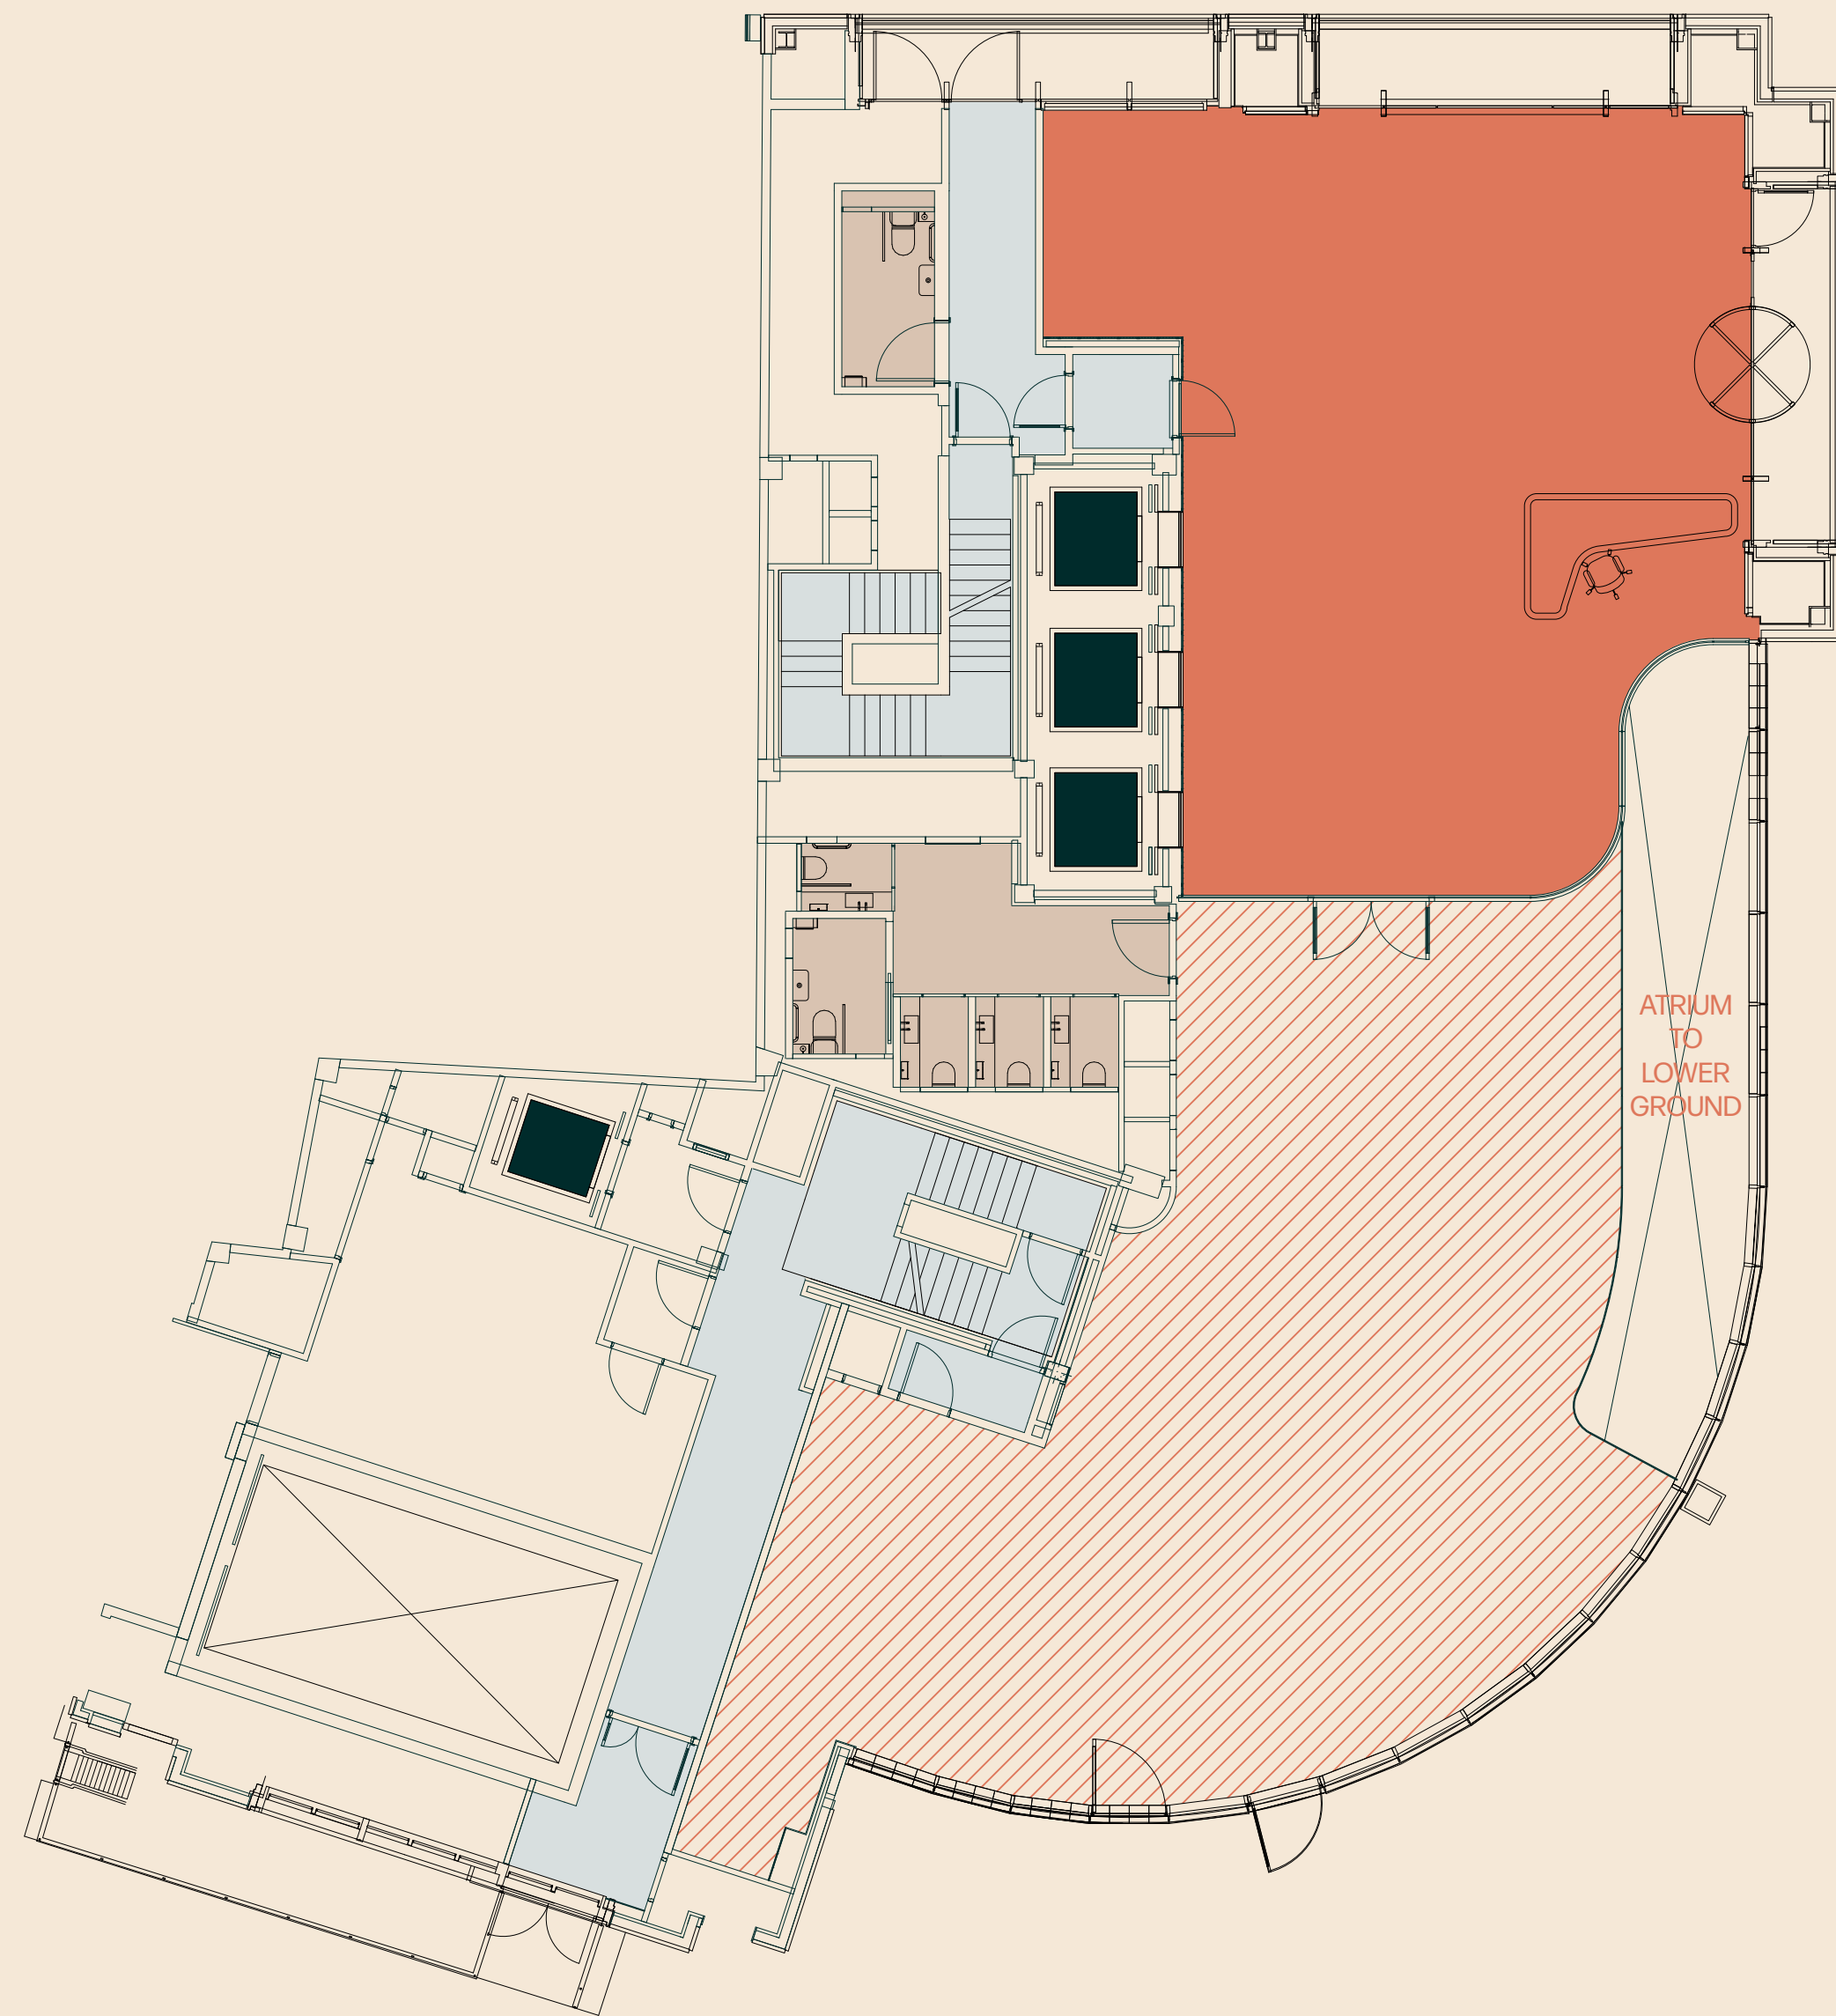

MAKE AN ENTRANCE

Evoking the experience of a boutique hotel's entrance lobby, the ground floor offers a spacious, luxurious welcome. Designed using intentionally premium materials, there's also the opportunity to add a café space to bring a sense of relaxed sociability that encourages connection and casual collaboration.

- Office / Amenity ——— 1,604 sq ft
- Reception
- WCs

GROUND FLOOR

EVERYTHING

The building's basement has been redefined to cater for the end of the commute for those making their way by cycle or on foot. But in many ways, it's also the start of something too. A secure space to regroup and refresh; a luxurious experience akin to a premium health spa. Move on with your day with positive spirit. Make progress.

LOWER GROUND

The rooftop pavilion elevates One Great St Helen's creatively, stylishly and elegantly. Sweeping views from both inside and out, green planting and a flexible space for working, relaxing or hosting events, it is the jewel in the building's 10-storey crown.

Together, the rooftop pavilion and terrace provide a unique, year-round landscaped area where employees can relax, catch up with colleagues or meet clients in the City's smartest space.

IN GOOD COMPANY

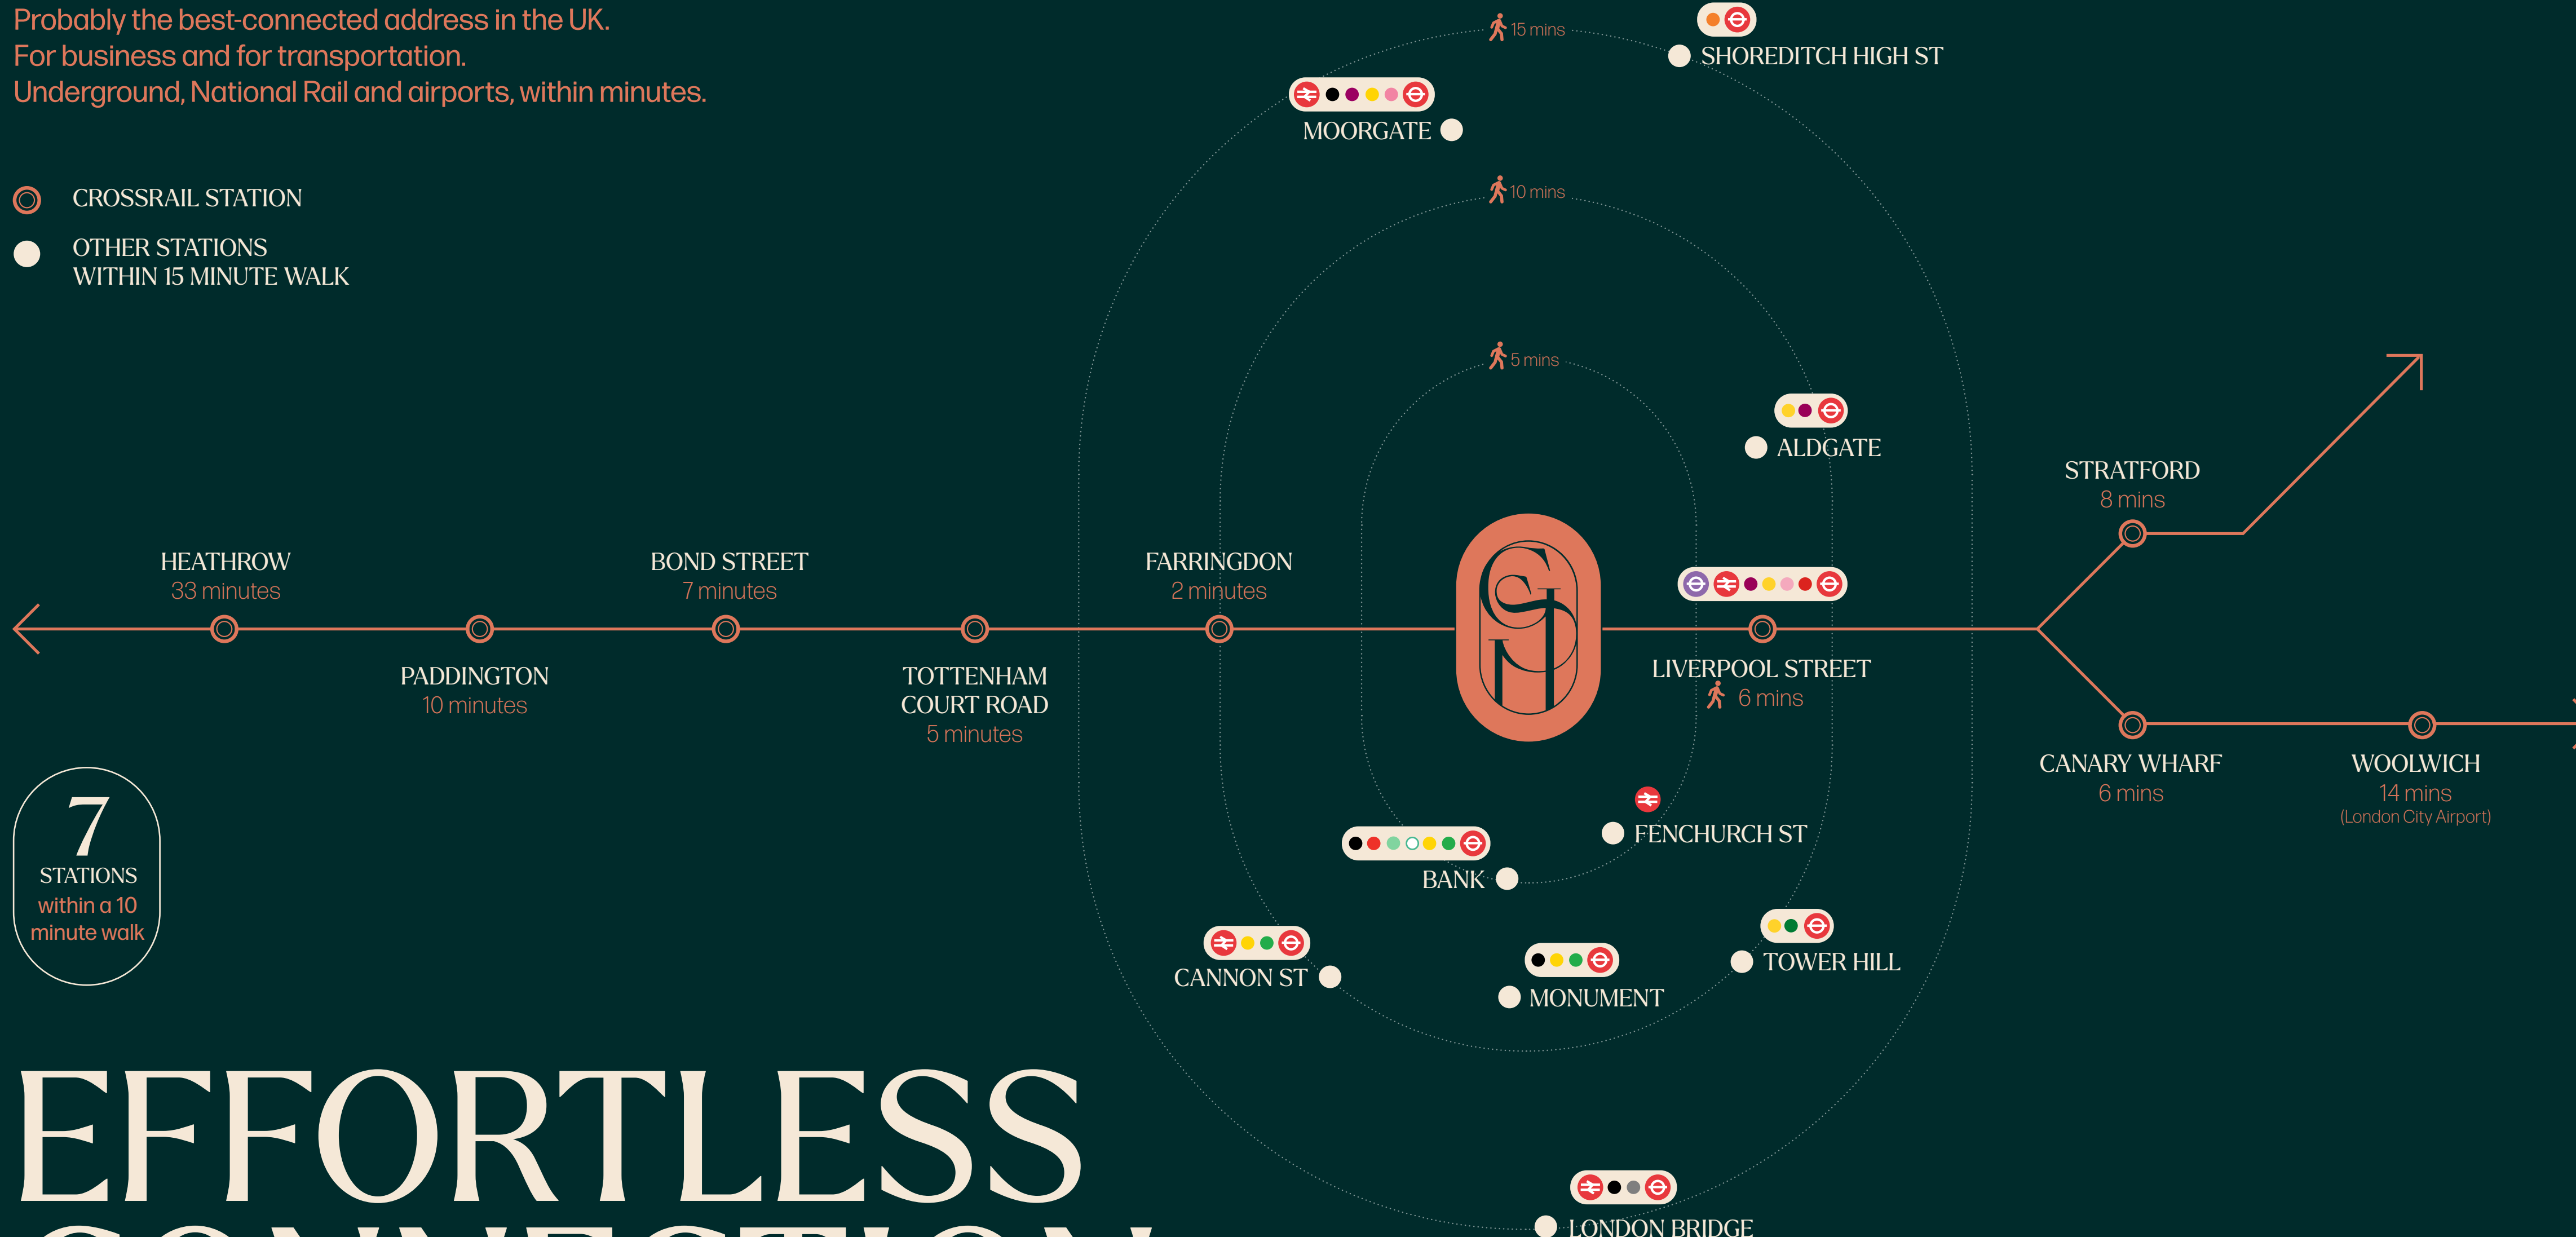

Proof, if it was needed that this is a cachet address, is all around. Step out onto one of our open terraces and check out the neighbours. You will not be disappointed by what you see. Finance, tech, legal and media call it home. They appreciate and welcome the likeminded. Or other-minded. That's the kind of place this is.

Probably the best-connected address in the UK.
 For business and for transportation.
 Underground, National Rail and airports, within minutes.

- CROSSRAIL STATION
- OTHER STATIONS WITHIN 15 MINUTE WALK

JRA

ARCHITECT

The architects behind the original design of One Great St Helen's 25 years ago are the team bringing fresh perspective and creative design changes to deliver a workplace of the future. Since its formation in 1993, JRA has designed and delivered buildings that have established the firm's reputation as innovative architects who consistently realise client's ambitions and resolve complex problems with purpose and flair. The practice's portfolio spans the office, residential, heritage, education, hotel, compliance monitoring and residential sectors, adding significant value through creative, sustainable and thoughtful design.

CBRE

DEVELOPMENT MANAGEMENT

CBRE Development Management is a trusted partner in reimagining One Great St Helen's, providing development leadership through all phases of the development lifecycle. With a proven track record in delivering complex projects, the team has expertise across a range of uses, including commercial, residential, hotels, healthcare, retail and life sciences. CBRE DM provides a seamless service that brings development ambitions to life, constantly innovating to unlock lasting value from beginning to end.
